nota: En las Zonas Bananeras el cálculo del sueldo medio mensual excluye a los empleados que trabajaron menos de 22 días en el mes de referencia. A partir del año 2004 en los municipios se incluye la Dirección Metropolitana de Aseo Urbano y Domiciliario.

(1) A partir de 1965 incluye a los empleados de las fincas de los productores independientes.

(2) Hasta 1978 correspondió a la antigua Zona del Canal de Panamá.
